Community Service Letter

To whom it may concern,

I am writing to confirm that Matthew Midgley completed community service at St John's Preparatory. It was truly inspiring how this young man saw a need, took the initiative, and served consistently and eagerly. He provided substantial support for our Grade 7 Major Production (he was in grade 6 at the time).

Throughout the process, Matthew demonstrated a high level of dedication, responsibility, and technical proficiency. He worked collaboratively with the Grade 7 students and staff, ensuring that the video captured the essence of the play effectively. His commitment to the project and the quality of the final product significantly enhanced the overall experience for both the participants and the audience.

Engaging in such community service activities not only allows students to apply and enhance their skills but also fosters a sense of responsibility and teamwork. Matthew's willingness to contribute to the success of the Grade 7 drama play is a testament to his positive attitude and civic-minded spirit.

Thank you for your attention to this matter. If you require any further information or if there is any way I can assist, please do not hesitate to contact me.

Sincerely,

Thembekile Maseko
