

MATTHEW MIDGLEY

MUSICIAN

About Me

I am a 13-year-old musician on a mission to fill life with music and colour. From the age of 3, I've been beating the drums and strumming the guitar. I discovered the piano when I was 5 years old and the Sax when I was 10 earning both music colour and honours awards in 2023. But my artistic journey doesn't stop there—I'm not just a musician; I'm also an artist, a sports enthusiast, a cinematographer, and a budding producer.

Creativity is my driving force, and I pour my heart into everything I do. Whether I'm crafting tunes, sketching on a canvas, scoring goals on the field, capturing moments behind the lens, or weaving stories from my film making antics, I embrace all of life's experiences. I'm not just about achievements; I'm about creating a symphony of moments that resonate with passion.

But beyond the spotlight, I'm just a fun-loving and hardworking kid who values the love of family and the bonds of friendship. Life is an adventure, and I'm here to explore every facet of it with a smile on my face and love in my heart.
